## REGULATIONS

### On The Procedure And Organization Of The Annual Competition For The Enlightening Award Znanie.Award – 2024

#### 1. General provisions

1.1. Regulations on the procedure and organization of the annual competition for the enlightening award Znanie.Award – 2024 (hereinafter referred to as the Regulations) define the procedure and order of organizing the annual Competition for the Enlightening Award **Znanie.Award - 2024** in 2024-2025 awarded by the All-Russian public and state enlightening organization Russian «Znanie» Society (hereinafter referred to as the Competition).

The Competition is conducted within the framework of the **Znanie.Award** in order to achieve the goal of the Federal project "Development of the youth support system ("Youth of Russia")".

1.2. The Competition is conducted in order to identify and recognize the achievements of enlightenment figures working within the Russian Federation and abroad.

1.3. The nominations of the Competition are awarded in the following categories: "Enlightener", "Enlightenment project" and "Enlightening company". From one to several categories are allocated in each nomination.

1.4. The Russian "Znanie" Society (hereinafter referred to as the Organizer) poses as the organizer of the Competition. Legal address: 109240, Moscow, Nikoloyamskaya str., 11, building 1, Tax Payer ID 7706439561, PSRN 1167700059570

1.5. The official website of the Competition: <https://award.znanierussia.ru/>.

1.6. The designations of the Competition: **Enlightening award Znanie.Award** and **Enlightening award "Znanie"** are equivalent.

1.7. The official language of reference of the Competition is Russian.

1.8. Expenditure related to the operations of the Competition is covered by earmarked funds (grants) in the form of a subsidy provided by the Federal Agency for Youth Affairs (Rosmolodyozh) or other sources. Expenditure related to the operations of the Competition in the nomination of "Foreign Enlightener of the Year" is covered by extrabudgetary sources.

1.9. The results of the Competition are projected to meet the following values of key performance indicators for the provision of subsidies in 2024:

1.9.1. Coverage of listeners and readers of enlightening video, audio and textual content produced, events held (including forums, conferences, online and offline round table sessions) during the enlightening activities of experts, scientists and cultural figures,

outstanding academics, athletes, teachers, pedagogues, senior educators, experts, specialists in the field of youth policy, public and government figures and representatives of the business community – upwards of 346,800 individuals.

1.10. The results of the Competition are projected to achieve the following values of key performance indicators for the provision of subsidies in 2025:

1.10.1. Coverage of listeners and readers of enlightening video, audio and textual content produced, events held (including forums, conferences, online and offline round table sessions) during the enlightening activities of experts, scientists and cultural figures, outstanding academics, athletes, teachers, pedagogues, senior educators, experts, specialists in the field of youth policy, public and government figures and representatives of the business community – upwards of 321 638 individuals.

## 2. Terms and definitions

2.1. The following terms and definitions are used during the Competition:

– An "**Enlightener**" is a citizen of the Russian Federation from the age of 12 or a foreign citizen from the age of 18 who carries out educational activities with outstanding achievements in the professional field and / or possesses the necessary competencies;

– An "**Enlightenment project**" is a product of creative activity or a set of activities and / or works aimed at enlightening, as well as improving the scientific, educational and cultural background of citizens;

– An "**Enlightening company**" is a legal entity implementing a set of measures aimed at educating, as well as improving the scientific, educational and cultural background of citizens of the Russian Federation;

The participants of the Competition in the nomination "Foreign Enlightener of the Year" at the time of registration may be citizens of foreign countries aged upwards of 18 and possessing secondary vocational or completed higher education, as well as outstanding achievements in the professional field and (or) achievements in enlightening activities, subject to the following conditions:

6.2.1. Registration and completion of the application of the participant of the Competition In the nomination "Foreign Enlightener of the Year" is to be done on the Website within the time frame set out in clause 4.2.1 of the present Regulations.

6.2.2. Provision of information on enlightenment activities and achievements of the participant of the Competition within the time frame specified in clause 4.2.1 of the present Regulations.

6.2.3. By registering on the Website, the participant of the Competition in the nomination "Foreign Enlightener of the Year" confirms that they have read, accepts and fully agree with the present Regulations (rules for the nomination "Foreign Enlightener of the Year"), the Policy of processing personal data during the Competition (appendix No. 2 to the present Regulations), and also gives the participant's consent to processing personal data (for the official Website) (Appendix No. 3 to the present Regulations).

6.2.4. In case of registration on the Website by a third party of a participant in the Competition in the nomination "Foreign Enlightener of the Year", the third party confirms by their registration on the Website that they have read, accept and fully agree with the present Regulations (rules of the nomination), the Policy of processing personal data during the Competition (appendix No. 2 to the present Regulations), and also gives consent to the processing of personal data (for the official Website) (Appendix No. 4 to the present Regulations), in addition, the third party confirms that the participant in the Competition in the nomination "Foreign Enlightener of the Year" has been notified by them and has agreed to become a participant in the Competition in the nomination, as well as the third person confirms that the participant has read, accepts and fully agrees with the present Regulations (the rules of the nomination "Foreign Enlightener of the Year"), the Policy of processing personal data during the Competition (Appendix No. 2 to the present Regulations), and also received the consent of the participant of the Competition for the processing of personal data (for the official website) (appendix No. 3 or appendix No. 5 to the present Regulations).

6.2.5. The participant of the Competition in the nomination "Foreign Enlightener of the Year" or third parties registering the participant of the Competition are required to provide authenticated relevant information in the registration form. The provision of unauthenticated information in the form is the basis for disqualification of the participant of the Competition. The Organizer reserves the right to request authentication of the data provided in the form by contacting the nominees or third parties via e-mail or phone.

6.2.6. By providing information about the enlightenment activities of the participant in the application for participation in the nomination "Foreign Enlightener of the Year" (hereinafter referred to as the Materials) the participant of the Competition grants the Organizer the right to use the materials in the following ways: public display and (or) public performance of materials in order to participate in the nomination "Foreign Enlightener of the Year". The participants of the Competition guarantee the rights of third parties, including the rights of third parties in relation to the results of intellectual activity used in the materials.

6.3. The official languages of reference for the nomination of the Competition

"Foreign Enlightener of the Year" are Russian and English.

6.4. The participants of the Competition for the nominations "Foreign Enlightener of the Year" and "Young Enlightener of the Year" do not participate in the "Popular Choice" and "Choice of the First" nominations.

## **7. The procedure for determining applicants for nomination, nominees and winners of the Competition**

7.1. The candidates for nomination, nominees and the winner of the Competition are determined in accordance with the following criteria:

- social significance (the importance and relevance of the educational activities carried out by the nominee);
- scope and coverage (geographical features of the nominee's educational activities and the number of participants);
- uniqueness (the use of new approaches, formats, and tools in the field of enlightenment).

7.2. At each stage of the Competition, each of the criteria provided in clause 5.1 of the present Regulation is evaluated on the scale of 0 to 10 points.

7.3. The following procedure is established for determining grades according to the criteria:

### 7.3.1. Social significance:

9-10 points: exemplary performance corresponding to the rating of "excellent". The relevance, popularity and social significance of the initiative have been sufficiently confirmed. The description of the initiative is valid and substantiated by specific quantitative and qualitative indicators, media publications, photographs.

7-8 points: high-level performance corresponding to the rating of "good". The relevance, popularity and social significance of the initiative as a whole have been confirmed, but minor concerns are present.

5-6 points: average performance corresponding to the rating of "satisfactory". The relevance, popularity and social significance of the initiative have not been sufficiently confirmed.

1-4 points: low-level performance corresponding to the rating "unsatisfactory". The relevance, popularity and social significance of the initiative have not been confirmed.

### 7.3.2. Scope and coverage:

9-10 points: exemplary performance corresponding to the rating of "excellent". The initiative covers the maximum number of regions of the country and features the maximum number of involved participants. The geographical features of the initiative are clearly outlined and confirmed in the description.

7-8 points: high-level performance corresponding to the rating of "good". The initiative is described in general terms, doesn't feature quantitative indicators of the regions and people involved in the initiative, as well as references to specific facts, the facts themselves or their indicators are not sufficient to confirm the scale of the initiative.

5-6 points: average performance corresponding to the rating of "satisfactory". The initiative has been presented in a satisfactory manner. The information provided does not confirm the coverage of the beneficiaries of the initiative.

1-4 points: low-level performance corresponding to the rating of "unsatisfactory". The problem that the initiative is dedicated to does not belong to the category of socially demanded and covers insufficient numbers of territories and participants.

#### 7.3.3. Uniqueness:

9-10 points: exemplary performance corresponding to the rating of "excellent". The initiative is to the full extent devoted to introducing novel (improved) techniques and practices concerning the stated problem for the selected target audience and/or the declared geography of the initiative.

7-8 points: high-level performance corresponding to the rating of "good". The initiative is mainly aimed at introducing novel (improved) techniques and practices on the stated problem for the selected target audience or the declared geography of the initiative.

5-6 points: average performance corresponding to the rating of "satisfactory". The initiative is partially aimed at introducing novel (improved) techniques and practices on the stated problem for the selected target audience or the declared geography of the initiative.

1-4 points: low-level performance corresponding to the rating "unsatisfactory". The initiative is not aimed at introducing novel (improved) techniques and practices on the stated problem for the selected target audience or the declared geography of the initiative.

7.4. Based on the results of the evaluation of projects/initiatives of participants, applicants for nomination or nominees the values of the individual rating of each applicant for nomination or nominee are determined at each stage of the Competition (the total value consists of the points of a comprehensive assessment of the criteria for the corresponding stage).

7.5. The preliminary assessment and selection of applicants for nomination in the Competition is carried out by the Commission in accordance with the criteria specified in clause 7.1 of the present Regulations.

7.5.1. During the qualifying stage of the Competition each application is evaluated by three independent experts of the Commission. According to the results of the qualifying stage, the average score for each application is formed.

7.5.2. At least ten applications are selected for the First stage of the Competition in each of the nominations and the corresponding categories that have scored the maximum average score based on the results of the qualifying stage.

7.6. The applications of the participants of the Competition selected by the Commission are transferred to the First stage of the Competition for further evaluation of projects/initiatives of applicants for nomination in the Competition by the Council in accordance with the criteria specified in clause 7.1 of the present Regulations.

7.6.1. During the First stage of the Competition each application is evaluated by three independent experts of the Council. Based on the results of the first stage, the average score for each application is formed. The average score of each application of the First stage is not combined with the average score of the Qualifying stage.

7.7. The applicants selected by the Council for nomination in the Competition become the nominees of the Competition and proceed to the Second stage of the Competition.

7.7.1. There may be no less than four and no more than five nominees of the Competition in each of the nominations and the corresponding categories, having the highest rating values based on the results of the evaluation of candidates for nomination at the first stage of the Competition.

7.7.2. All nominees of the Competition provide the written consent of the personal data subject to the processing of personal data (Appendix No. 5 to the present Regulations), the consent of the personal data subject to the processing of personal data authorized for distribution (appendix No. 6 to the present Regulations).

7.7.3. At the Second stage of the Competition, all the nominees of the Competition are evaluated by all members of the Jury. According to the results of the Jury's assessment, the average score for each nominee of the Competition is formed. The average score of the Second stage is not added to the average scores of the Qualifying and the First stage.

7.7.4. At the Second stage of the Competition an in-person defense of the enlightening activities of the nominees by enlighteners, representatives of enlightening projects, enlightening companies and representatives of enlighteners in front of the Jury members is provided in compliance with the following requirements:

- 1 (one) person is allowed to defend the enlightening activities of the nominees;
- the duration of one performance is no more than 2 (two) minutes;
- the presenter is required to tell about himself/herself and their enlightening activities and (or) about their professional achievements and (or) about the enlightening activities of the company and (or) the project (depending on the category of the participant);
- language of the speech: Russian;
- formal style of clothing (branded clothing with logos of third-party organizations may be allowed provided the consent of the Organizer is obtained);
- the performance is accompanied by animated slides in a single style created by the Organizer, they are to contain three facts about the enlightening activities of the nominee, the nominee's information and a timer counting down the time of the performance;
- the use of additional graphic, audio and video materials and other items may be allowed provided the consent of the Organizer is obtained;
- constant reading of the text during the performance is prohibited.

7.7.5. To prepare the nominees for the Second stage of the Competition, the Organizer of the Competition provides an offline and online enlightenment program featuring lectures, workshops, trainings/consultations and other formats. The conditions and procedure for organizing speakers' speeches for the enlightenment program are approved by the Regulations on the organization of speakers' speeches within the framework of educational activities of the Russian "Znanie" Society, approved by the order of the Russian "Znanie" Society .

7.7.6. The nominees in the nomination "Foreign Enlightener of the Year" submit to the Jury a video recording of their performance in the format of a presentation of their enlightening activities in accordance with clause 7.8 of the present Regulations, thereby being evaluated by the Jury in a remote format. To participate in the Second stage of the Competition, the nominees of the nomination "Foreign Enlightener of the Year" independently prepare a video recording of their speech in the format of a presentation of their educational activities (hereinafter referred to as the Video) and send it to the e-mail address of the Organizer of the Competition: [premiya@znanierussia.ru](mailto:premiya@znanierussia.ru), on or before November 20, 2024. Participants of the Competition in the nomination "Foreign Enlightener of the Year" may attach the Video to the application on the Website when registering for the nomination "Foreign Enlightener of the Year" of the Competition.

7.8. The participant of the Competition in the nomination "Foreign Enlightener of the Year" is to tell about himself/herself and their enlightening activities and (or) their professional achievements via the Video .

7.8.1. The participants of the Competition in the nomination "Foreign Enlightener of the Year" prepares the Video in compliance with the following requirements:

- duration: no more than 2 (two) minutes;
- video orientation: horizontal;
- video resolution: 1280×720;
- video size: no more than 1 GB;
- language: Russian or English;
- absence of noises, echo and other audio and video disturbances, a neutral background;
- the nominee of the "Foreign Enlightener of the Year" nomination is to be presented alone in the frame, they are to be audible and visible, constant reading during the performance is prohibited;

- formal dress code, absence of third-party organizations logos and branding.

- the Video must not feature falsification of scientific data. The video must not contain calls for extremist activity; public incitement, justification of or arguing for extremism, social, racial, national or religious discord, humiliation of national dignity, propagating discrimination, superiority or inferiority of citizens on the basis of their attitude to religion, social, racial, national, religious or linguistic affiliation or other reasons; propagating and publicly displaying Nazi paraphernalia or symbols, or paraphernalia or symbols similar to Nazi paraphernalia or symbols to the extent of their confusion.

7.8.2. Videos that do not comply with the requirements provided in paragraphs 7.8-7.8.1 of the present Regulations may not be evaluated by the Jury Panel.

7.8.3. By sending the Video from the nominee's e-mail address specified in the application for participation in the "Foreign Enlightener of the Year" nomination to the e-mail address of the Organizer of the Competition - [premiya@znanierussia.ru](mailto:premiya@znanierussia.ru) the participant of the "Foreign Enlightener of the Year" nomination grants the Organizer the right to publish the Video, including the information distributed by the nominee as part of the Video, the right to use the image of the nominee recorded in the Video, according to Art.152.1 of the Civil Code. In addition, participant of the "Foreign Enlightener of the Year" nomination grants the Organizer the right to further use the Video for the purpose of the nominee's participation in the "Foreign Enlightener of the Year" nomination, as well as for the statutory purposes of the Organizer in the following ways: reproduction, distribution, public display, public performance, broadcast and cable transmission, making available to the public by posting the Video on the Internet on the territory of all countries of the world, on the information resources of the Organizer, in a group (community) on a page on the VKontakte social network ([vk.com/znanierussia](https://vk.com/znanierussia)).

The nominees guarantee to respect the rights of third parties, including the rights of third parties to all the results of their intellectual property created as part of the Video preparation.

7.9. Only one nominee in each of the nominations in the corresponding categories scoring the most points at the Second stage of the Competition may be the Winner of the

Competition with exceptions for the nominations "For general contribution to enlightenment", "Popular Choice" and "Choice of the First".

7.9.1. In accordance with the nominations of the Competition specified in Appendix No. 1 to the present Regulations (except for the nominations "For general contribution to enlightenment", "Popular Choice" and "Choice of the First") the Winners of the Competition are the nominees who scored the highest number of points according to the results of the Second stage of the Competition. The Second stage of the Competition is to be held in Moscow in November 2024.

7.9.2. The winners in the nomination "For general contribution to enlightenment", in the categories "Enlightener" and "Enlightening project", are selected from all the nominees of the corresponding categories (except for the "Popular Choice" and "Choice of the First" nominations) by the Jury based on the results of the protection of educational activities at the Second stage of the Competition.

7.9.3. The winners in the nomination "Popula Choice" are the nominees who scored the most points in an open online voting in the VKontakte mini-application in the categories "Enlightener" and "Enlightening project".

7.9.3.1. Online voting is conducted via the VKontakte mini-application as an assessment of the nominees in the special nomination "Popular Choice". The evaluation of the nominees begins at the time of publication of the nominees in the VKontakte mini-application and lasts for at least two weeks. Each visitor of the VKontakte mini-application has the opportunity to vote once in each of the categories of each nomination after registering in the VKontakte mini-application.

7.9.4. The winner in the nomination "Choice of the First" becomes the nominee from the category "Enlightener" scoring the most points according to the results of a closed vote of the Federal Council of the First.

7.9.4.1. The closed vote of the Federal Council of the First, which includes children and adolescents from all subjects of the Russian Federation, is held remotely in January and February 2025.

7.9.4.2. Each member of the Federal Council of the First has one vote. The winner is chosen by a simple majority of votes. In case of disputes, a remote meeting of the Federal Council of the First is held. The meeting is valid if at least 50 percent of the members of the Federal Council of the First take part in it.

7.9.4.3. The All-Russian public-state movement of Children and Youth "Movement of the First" ensures that voting is conducted in accordance with the requirements of the present Regulations.

7.10. Provided the results of any of the evaluation stages reveals that several contestants, applicants for nomination, nominees score the same number of points within the same nomination, then the finalist of the stage becomes the one who scored the most points according to the criterion of "Uniqueness". In the case of a repeat of the equality of points, the next evaluation criterion is "Social significance". In case of equality of points according to all three criteria, the decision-making is entrusted to the Organizer in the person of the General Director.

7.11. The winners of the Competition in accordance with the nominations of the Competition specified in Appendix No. 1 to the present Regulations (except for the "For

general contribution to enlightenment", "Popular Choice" and "Choice of the First" nominations) are the nominees scoring the highest number of points according to the results of the Second stage of the Competition. The Second stage of the Competition involves the preparation of a presentation and its in-person defense. The Second stage of the Competition is to be held in Moscow in November 2024. All expenses of the nominee specified in clauses 9.2 and 9.3 of the present Regulations are covered by the Organizer.

## **8. Prizes and awards for the winner of the Competition**

8.1. The winners of the competition are entitled to:

8.1.1. The title of the winner of the Enlightening Award Znanie.Award of the Russian "Znanie" Society.

8.1.2. Support for the enlightening activities of the winners of the Competition by the Organizer and the opportunity to participate in the following events of the Organizer.

8.1.3. Memorable prizes from the Organizer of the Competition.

8.2. The organizer may provide special prizes established by the partners of the Competition within certain nominations.

## **9. Organizer and partners of the Competition**

9.1.The Organizer of the Competition assumes the following responsibilities:

9.1.1. Development of the evaluation methodology, the procedure for conducting the Competition and other regulatory documents required.

9.1.2. Provision of IT support for the Competition.

9.1.3. The organization of all stages of the Competition.

9.1.4. Regulating other issues pertaining to the organization of the Competition.

9.2. The Organizer provides the following:

– logistics services (transfer, railway and air tickets) and accommodation for the nominees of the Competition at the Second stage of the Competition and at the stage of the award ceremony;

– logistics services (transfer, railway and air tickets) and accommodation for one accompanying person for the nominees in the category "Enlightener", "Enlightenment project", "Enlightening company" and at the stage of the Award ceremony.

In case of failure by the nominee of the Competition and (or) the accompanying individual to board the flight or their refusal to travel, as well as in case of failure by the nominee of the Competition and (or) the accompanying individual to provide boarding passes to the Organizer, in case of refusal by the nominee of the Competition and (or) the accompanying individual to stay at the booked hotel, the Organizer reserves the right to demand a refund of the funds spent by the Organizer on providing travel and accommodation for the nominee and/or accompanying individual from the nominee of the Competition.

9.3. Depending on the duration of the event and the time spent at the site (upwards of four hours), meals may be provided by the Organizer.

9.4. At the end of the Second stage of the Competition, the Organizer and (or) partners may provide gifts, souvenirs and (or) memorable prizes.

## **10. Final provisions**

10.1. The Organizer reserves the right to immediately suspend or terminate the rights of the participants of the Competition with notification in case they violate the present Provisions or the rules for completing certain tasks of the Competition stipulated within the present Provisions.

10.2. Основаниями для исключения из участия в Конкурсе могут являться:

a) application by the applicant for nomination or nominee for exclusion from the Competition, violation of the registration procedure on the Website established by the present Regulation;

b) submission of forged documents or deliberately false information about the participant of the Competition when filling out the application

c) publication of information and data violating the current legislation of the Russian Federation;

d) violation of third party rights to the results of intellectual activity which include the following:

– the materials submitted to the Organizer by the nominee or the nominee of the Competition;

– the contents of an applicant for nomination or a nominee who participating as an enlightenment project, or contents of materials submitted to the Organizer when registering an educational project as an applicant for nomination;

e) a prior criminal conviction (whether canceled or removed) or conviction to punishment by a court verdict that has entered into force, being under investigation, disqualification from public office by a court decision;

f) calls for extremist activity; public incitement, justification of or arguing for extremism, social, racial, national or religious discord, humiliation of national dignity, propagating discrimination, superiority or inferiority of citizens on the basis of their attitude to religion, social, racial, national, religious or linguistic affiliation or other reasons; propagating and publicly displaying Nazi paraphernalia or symbols, or paraphernalia or symbols similar to Nazi paraphernalia or symbols to the extent of their confusion;

g) publications on the Organizer's Website and official social media pages (VKontakte) in the form of text messages, graphic and/or video files or other forms of communication involving content that is offensive to applicant for nomination or nominees, citizens who support the participants, or other persons, or may be regarded as such, as well as information discrediting the participants, citizens who support the participants, or other persons, containing threats, calling for violence, the commission of illegal, antisocial, or immoral acts, as well as the commission of any other actions contrary to the foundations of law and order and morality;

h) publication of false or defamatory information regarding the Competition, the Competition, or the applicant for nomination and/or nominees, or citizens who support them;

i) use of data from the fields of pseudoscience and falsification of scientific research;

k) The organizer reserves the right to prevent those suspected of non-compliance with the rules specified in clause 10.2. of the present Regulations from participating in the Competition with no explanation or evidence.

10.3. The organizer of the Competition bears no responsibility for the nature and reliability of the information provided by the applicant for nomination or nominee, as well

as by citizens participating in events to support applicants for nomination or nominees, that becomes available to citizens during the Competition. Should any violation of the current legislation be established during the Competition, including violations of the third party rights to the results of intellectual activity used by the applicant for nomination or nominee of the Competition, violations of the rules of the Competition, including the publication of deliberately false information, the Organizer of the Competition has the right to exclude from further consideration for the Competition any applicant for nomination or nominee of the Competition who has committed this action, or a citizen who participates in supporting applicants for nomination or nominees of the Competition, as well as to remove all data published by them from public access.

10.4. The information on the procedure and rules for conducting the Competition specified in the present Regulations is posted on the Website.

10.5. Should any changes be made to the present Regulation, they are to be published on the Website. If a participant of the competition continues to participate in the competition, he/she agrees with the changes made to the present Regulation.

Appendix No. 2  
to the Regulations  
on the procedure and Organization  
of the annual competition for the  
Enlightening Award Znanie.Award –  
2024 approved by the order of the  
Russian "Znanie" Society  
from "28" 05. 2024 №Pr-171/24

Personal data processing policy used for conducting the annual competition for the  
Enlightening Award Znanie.Award – 2024

**1. General provisions**

1.1. Personal Data Processing Policy used for conducting the annual competition for the Enlightenment Award Znanie.Award – 2024 (hereinafter referred to as the present Personal Data Processing Policy/the present Policy/the Policy) defines the procedure for processing personal data and ensuring its security during the the annual competition for the Enlightenment Award Znanie.Award – 2024 (hereinafter referred to as the Competition) in order to protect human and civil rights and freedoms in the processing of personal data, including protection of the rights to privacy, personal and family secrets.

1.2. This policy has been developed in accordance with the Federal Law No. 152-FZ of July 27, 2006 on Personal Data (hereinafter referred to as Law No. 152-FZ).

1.3. The purposes of personal data processing correspond to and are aimed at implementing the Regulations on the Competition. Personal data processing is carried out for the purpose of conducting the Competition, processing, analysis, audit and accounting of persons who have been registered on the Website of the Competition and (or) participating in the Competition. Another purpose is notifying the individuals participating in the Competition regarding the news, changes in the conditions of the Competition and the results of the Competition and other information provided for by the Regulations on the Competition, as well as encouraging the participants who demonstrated high results during the Competition.

1.4. All issues related to personal data processing that are not regulated by the present Personal Data Processing Policy and (or) the general personal data processing policy are resolved in accordance with the current legislation of the Russian Federation regarding personal data.

1.5. The following terms and definitions are used in the present Policy:

– the Operator – a state body, municipal body, legal entity or individual, independently or jointly with other persons organizing and (or) carrying out personal data processing, as well as determining the purposes of personal data processing, the contents of personal data to be processed, actions (operations) performed with personal data;

– personal data — any information related directly or indirectly to a specific or identifiable individual (subject of personal data);

– personal data processing — any action (operation) or set of actions (operations) performed with personal data with or without the use of automation tools, including collection, recording, systematization, accumulation, storage, clarification (updating, modification), extraction, use, transfer (distribution, sharing, access), depersonalization, blocking, deletion, destruction of personal data;

– automated personal data processing — personal data processing using computer technology;

– dissemination of personal data — actions aimed at disclosing personal data to an indefinite circle of persons (transfer of personal data) or familiarization with personal data of an unlimited number of persons, including the publication of personal data in the media, posting in information and telecommunication networks or providing access to personal data in any other way;

– provision of personal data — actions aimed at disclosing personal data to a certain person or a certain circle of persons;

- blocking of personal data — temporary termination of the personal data processing (except in cases where processing is necessary to clarify personal data);
- destruction of personal data — actions as a result of which it is impossible to restore the content of personal data in the personal data information system and (or) the physical media carrying personal data is destroyed;
- depersonalization of personal data — an action as a result of which it is impossible to determine the specific personal data subject without using additional information;
- personal data information system — a set of personal data contained in databases, as well as information technologies and technical means that ensure its processing.

1.6. The Policy applies to all personal data of applicants for nomination, nominees of the Competition, winners of Competition processed during the Competition with or without the use of automation tools. The personal data of citizens who, in accordance with the present Regulations, support applicants for nomination or nominees, are not collected and processed by the Operator.

1.7. The present Policy is a publicly available document and is subject to be posted on the official website of the Competition <https://premiya.znanierussia.ru> (hereinafter referred to as the Website).

## **2. Information regarding the Operator**

2.1. Full designation of the Operator: All-Russian public state educational organization Russian "Znanie" Society.

2.2. Abbreviated designation : Russian "Znanie" Society.

2.3. PSRN 1167700059570, Tax Payer ID 7706439561, RRC 770901001.

2.4. Legal address: 109240, Moscow, Nikoloyamskaya str., 11, building 12.5. Email address: [info@znanierussia.ru](mailto:info@znanierussia.ru).

## **3. Legal grounds for personal data processing**

- The Constitution of the Russian Federation;
- The Labor Code of the Russian Federation;
- The Civil Code of the Russian Federation;
- Federal Law No. 149-FZ of July 27, 2006 "On Information, Informational Technologies and the Protection of Information"
- Federal Law No. 63-FZ of April 6, 2011 "On Electronic Signature";
- Federal Law No. 160-FZ of December 19, 2005 "On Ratification of the Council of Europe Convention for the Protection of Individuals with Regard to Automatic Processing of Personal Data";
- Federal Law No. 126-FZ of July 7, 2003 "On Communications";
- Federal Law No. 27-FZ of April 1, 1996 "On Individual (Personal) Registration in the System of Compulsory Pension Insurance";
- Federal Law No. 243-FZ of July 3, 2016 "On the Amendments to Parts I and II of the Russian Federation Tax Code Due to the Transfer of Authority Over Administration of Pension, Social and Medical Insurance Payments to the Tax Authorities";
- Federal Law No. 273-FZ of December 29, 2012 "On Education in the Russian Federation";
- Federal Law No. 125-FZ of October 22, 2004 "On Archival Affairs in the Russian Federation";
- Resolution of the Government of the Russian Federation dated 01.11.2012 No. 1119 "On approval of requirements for the protection of personal data during their processing in personal data information systems"
- Resolution of the Government of the Russian Federation dated 15.09.2008 No. 687 "On approval of the Regulation on peculiarities of personal data processing carried out without the use of the automated tools";
- contracts and agreements signed by one of the parties under which the Organization acts;
- the consent of the personal data subject to personal data processing;
- other regulatory legal acts.

## **4. Principles and conditions for the personal data processing**

4.1. Personal data processing within the framework of the Special Nomination is carried out on the basis of the following principles:

- legality and fairness;
- restrictions on personal data processing to the achievement of specific, predetermined and legitimate purposes;
- ensuring that the scope of personal data processed corresponds to the processing purposes;
- restricting the integration of databases containing personal data processed for incompatible purposes;
- processing only the personal data that meet the purposes of the processing;
- compliance of the content and volume of the processed personal data with the stated purposes of processing;
- restricting excessive personal data processing in relation to the stated processing purposes;
- ensuring the accuracy, sufficiency and relevance of personal data in relation to the purposes of personal data processing;
- destruction or depersonalization of personal data after the processing purpose has been achieved and/or if the purpose no longer needs to be achieved.

4.2. Personal data may be processed within the framework of the Competition only where at least one of the following conditions is met:

- personal data processing is necessary to achieve the purposes stipulated by the law, to exercise and perform the functions, powers and duties vested in the Operator by the legislation of the Russian Federation;
- personal data processing is necessary to perform a contract, where the personal data subject is a party, beneficiary or a guarantor, including the right of the Operator to assign rights (claims) under such a contract, as well as to perform a contract on the initiative of the personal data subject or a contract, where the personal data subject is a beneficiary or a guarantor;
- personal data processing is necessary to implement the rights and legitimate interests of the Operator or third parties or to achieve important public purposes, provided that doing so does not violate the rights and freedoms of the personal data subject;
- personal data processing is carried out and access to it is provided to an unlimited number of persons by the personal data subject or at their request (hereinafter referred to as Publicly Available Personal Data);
- personal data processing subject to publishing or mandatory disclosure in accordance with federal law is carried out.

4.3. The Operator and other persons with access to personal data must not disclose to third parties or disseminate personal data without the consent of the personal data subject, unless otherwise stipulated by the federal law.

In accordance with Part 1 of Article 10.1 of Law No. 152-FZ, consent to personal data processing authorized by the personal data subject for distribution shall be issued separately from other consents of the personal data subject to the processing of their personal data. The Operator is obliged to provide the personal data subject with the opportunity to determine the list of personal data for each category of personal data specified in the consent to personal data processing authorized by the subject of personal data for dissemination.

At the same time, according to Part 2 of Article 10.1 of Law No. 152-FZ, in the case of disclosure of personal data to an indefinite circle of persons by the personal data subject himself without providing the Operator with consent to the processing of personal data authorized by the subject of personal data for dissemination, the obligation to provide evidence of the legality of subsequent dissemination or other processing of such personal data lies with each person who carried out their distribution or other kind of processing.

4.4. The Operator is entitled to entrust personal data processing to another person with the consent of the personal data subject, unless otherwise stipulated by federal law. The person processing personal data on behalf of the Operator is obliged to comply with the principles and rules of personal data processing

stipulated by Law No. 152-FZ.

4.5. Personal data shall be stored, processed and used during and after the Competition, and the personal data of the winner of the Competition shall be stored, processed and used after the Competition in order to encourage professional and personal development. Termination of processing occurs upon withdrawing consent to personal data processing by the personal data subject (or his representative), taking into account the conditions stipulated in Article 21 of Law No. 152-FZ or upon expiration of the Consent to personal data processing.

4.6. The volume and categories of personal data processed and categories of personal data subjects:

**4.6.1. The following personal data of the applicant for the nomination, the creator and (or) the copyright holder of the applicant for nomination/nominee participating as an enlightenment project / nominee of the Competition or the winner are processed by the Operator for the purpose of the Competition:**

- full legal name;
- date of birth, place of birth;

 – Website id;  
 – IP address;  
 – Cookie files;  
 – information about the actions performed on the Website;  
 – information about the devices and browsers used.

**Personal data of guests and spectators processed by the Operator in order to implement the terms of the Competition include the following:**

– full legal name;  
 – date of birth, place of birth;  
 – citizenship;  
 – held post;  
 – place of work;  
 – photo image;  
 – audio recording;  
 – video recording;  
 – contact information (phone number, email address, social network links);  
 – Website id;  
 – IP address;  
 – Cookie files;  
 – information about the actions performed on the Website;  
 – information about the devices and browsers used.

**A special category of personal data for the above categories of subjects may be processed if required:**

– information about the state of health: information about the delivery and results of laboratory tests for the new coronavirus infection COVID-19 by PCR testing (if required).

The exact list may be stipulated in the consent to the processing of personal data.

4.7. Application procedure:

4.7.1. The applicant for nomination in the Competition registers on the Website independently or the registration is carried out by the legal representative of the Applicant. When registering on the Site, the user familiarizes himself/herself with the Privacy Policy, the Regulations on the procedure and organization of the annual competition for the Enlightening Award Znanie.Award – 2024, the Policy of processing personal data during the annual competition for the Enlightening Award Znanie.Award – 2024, accepts the terms, and also accepts the agreement on the use of a simple electronic signature, gives consent to the processing of personal data. Provided the above, they may apply for participation in the Competition.

4.7.2. Third parties registering applicants for nomination may register prematurely. When registering on the Website third parties familiarize themselves with the Privacy Policy, the the Regulations on the procedure and organization of the annual competition for the Enlightening Award Znanie.Award – 2024, the the Policy of processing personal data during the annual competition for the Enlightening Award Znanie.Award – 2024 and accept the terms, as well as accept the agreement on the use of a simple electronic signature and consent to the processing of their personal data.

Furthermore, the third party confirms that the personal data of the applicant for nomination has been provided and subsequently received by the Organizer on a legitimate basis. After that, a third party can apply (propose an applicant for nomination) to participate in the Competition. The organizer reserves the right to request confirmation of the data specified in the application by contacting the participants or third parties by e-mail or phone.

4.8. The shortlisted nominees of the Competition, determined by the results of the work of the Council, give their consent to the processing of personal data in the form specified in Appendix No. 6.

## **5. The procedure and conditions for the personal data processing**

5.1. The personal data processing shall be carried out by the Operator in accordance with the requirements of the legislation of the Russian Federation.

5.2. The personal data processing includes the following list of actions: collection, recording, systematization, accumulation, storage, clarification (updating, modification), extraction, use, transfer (distribution, provision, access), depersonalization, blocking, deletion, destruction of personal data.

5.3. The personal data processing in the Organization shall be carried out in the following ways: without the use of computer equipment (non-automated personal data processing); automated personal data processing with or without transmission of the data received via information and telecommunication networks; mixed personal data processing.

5.4. The personal data processing in the Organization shall be carried out considering the necessity to ensure the protection of the rights and freedoms of employees of the Organization and other personal data subjects, including the protection of the right to personal and family privacy, based on the following principles:

- personal data processing in the Organization shall be carried out on a legal and equitable basis;
- personal data processing shall be limited to the achievement of specific, predetermined and legitimate purposes. The scope of personal data processed shall correspond to the processing purposes;
- the integration of databases containing personal data processed for incompatible purposes is not allowed;
- personal data shall be reliable, only personal data that meets the processing purposes is subject to processing;
- the content and scope of the processed personal data shall correspond to the stated processing purposes. Excessive personal data processing in relation to the stated processing purposes is not allowed;
- the accuracy, sufficiency, and, if necessary, relevance of personal data in relation to the personal data processing purposes shall be ensured. The Organization shall implement the necessary measures or ensure their implementation to delete or clarify incomplete or inaccurate personal data;
- personal data storage shall be carried out in a form allowing to identify the personal data subject for no longer than the personal data processing purposes require, unless the period of personal data storage

is established by federal law or by a contract, where the personal data subject is a party, beneficiary or guarantor;

- the processed personal data shall be destroyed or depersonalized upon achievement of the purposes of processing or in case of loss of necessity to achieve these purposes, unless otherwise provided for by federal law.

5.5. Personal data may be processed only where at least one of the following conditions is met:

- personal data shall be processed with the consent of the personal data subject to the personal data processing;

- personal data processing is necessary to achieve the purposes stipulated by the law, to exercise and perform the functions, powers and duties vested in the Operator by the legislation of the Russian Federation;

- personal data processing is necessary to perform a contract, where the personal data subject is a party, beneficiary or a guarantor, including the right of the Operator to assign rights (claims) under such a contract, as well as to perform a contract on the initiative of the personal data subject or a contract, where the personal data subject is a beneficiary or a guarantor;

- personal data processing is necessary to implement the rights and legitimate interests of the Operator or third parties or to achieve important public purposes, provided that doing so does not violate the rights and freedoms of the personal data subject;

- publicly available personal data processing is carried out;

- personal data processing subject to publishing or mandatory disclosure in accordance with federal law is carried out.

5.6. The Operator and other persons with access to personal data must not disclose to third parties or disseminate personal data without the consent of the personal data subject, unless otherwise provided by the federal law.

5.7. Information about third parties involved in the personal data processing.

The Operator shall provide access to personal data to the following organizations in the course of its operations to ensure the compliance with the legislation of the Russian Federation, to achieve the purposes of personal data processing, as well as in the interest and with the consent of the personal data subjects:

- to licensing and/or controlling bodies of state power and local self-governed body;

- to other organizations in accordance with the legislation of the Russian Federation.

5.8. With the consent of the personal data subject, the Operator shall transfer the personal data of the nominees, the winner of the Competition who have achieved high results, to representatives of state authorities and other organizations performing operations for their promotion and development to ensure the achievement of the purposes of the Competition specified in the Regulation on the Competition.

The Operator is entitled to place ratings of the nominees of the Competition with indication of personal places in the rating during the Competition. This rating and other information about the nominees, the winner of the Competition and the results of the Competition may be published in the media.

To ensure participation in the Competition in accordance with the present Regulations on the Competition and to the extent necessary to achieve the purposes of the Competition, personal data of an applicant for nomination, a nominee of a Competition, may be processed by the Council, the Jury Panel, individuals under civil law contracts, organizations providing logistics and accommodation services, as well as an Organization providing educational services in preparation for the first or second stage of the Competition; Organizations providing other related services within the framework of the Event.

## **6. Rights and obligations of the personal data subject**

6.1. The personal data subject shall decide on the provision of personal data and give consent to their processing freely, willingly and their own interest. Consent to the personal data processing may be given

by the personal data subject or their representative in any form that allows confirmation of the fact of its receipt, unless otherwise established by federal law.

The Operator is obliged to provide proof of consent of the personal data subject to the processing of their personal data or proof of causes specified in Law No. 152-FZ.

6.2. The personal data subject is entitled to receive information regarding the personal data processing unless otherwise specified by the federal legislation. The personal data subject is entitled to demand that the Operator clarify their personal data, block or destroy them where the personal data are incomplete, outdated, inaccurate, illegally obtained or are not necessary for the declared purpose of processing, as well as implement legal measures to protect their rights.

6.3. Should the personal data subject believe that the Operator is processing their personal data in violation of the requirements of Law No. 152-FZ or otherwise violates their rights and freedoms, the personal data subject is entitled to appeal the actions or omissions of the Operator to the authorized body for the protection of the rights of personal data subject or in court.

6.4. The personal data subject is entitled to protect their rights and legitimate interests, including compensation for damages and (or) compensation for moral damage in court.

6.5. The personal data subject is obliged to:

- provide only authenticated personal data;
- inform about the clarification (updating, modification) of personal data.

6.6. Individuals providing false personal data or personal data of another personal data subject without the consent of the latter shall be liable in accordance with the legislation of the Russian Federation.

## **7. Personal data security**

7.1. The security of personal data shall be ensured by the implementation of legal, organizational, technical and software measures necessary and sufficient to meet the requirements of the federal legislation related to personal data protection.

7.2. In order to create unfavorable conditions and obstacles for perpetrators attempting to gain unauthorized access to personal data to acquire, modify, destroy, infect with malware, substitute and commit other unauthorized actions to personal data, the Operator shall implement, among others, the following organizational and technical measures during the whole period of the Competition:

- appointment of an employee responsible for organizing the processing and protection of personal data;
- limitation and regulation of the employees with access to personal data;
- making the employees familiar with the requirements of the federal legislation and the regulatory documentation of the Competition on the processing and protection of personal data;
- ensuring that data storage media are kept and treated in a way that precludes their theft, substitution, unauthorized copying and destruction;
- identification of threats to the personal data security during the processing, formation of threat models based on them;
- validation of the readiness and effectiveness of the information security tools application;
- password protection of access to the personal data information system;
- implementation of anti-virus control, prevention of exposure of the corporate network to malware and software malfunctions;
- detection of intrusions into the Operator's corporate network that violate or create prerequisites for violation of the established requirements for personal data security;
- creation of data backup;
- ensuring the recovery of personal data, modified or destroyed due to unauthorized access thereto;
- familiarizing the employees with the information security tools used in personal data information systems, the rules of working with them;
- monitoring user actions, conducting proceedings on violations of personal data security requirements;
- placement of technical means of personal data processing within a secured area;
- maintenance of technical means of security and alarm of premises in a state of constant readiness.

## **8. Final provisions**

8.1. Other rights and obligations of the Operator are determined by the legislation of the Russian Federation in relation to personal data.

8.2. The Operator's liability for violation of the requirements of the legislation of the Russian Federation in relation to processing and protection of personal data shall be determined in accordance with the legislation of the Russian Federation.

---

*(designation of the organization, address)*

I hereby confirm that the rights and obligations in relation to personal data protection have been clarified. I hereby confirm that I am familiar with the provisions of the Federal Law No. 152-FZ of July 27, 2006 on Personal Data, as well as with the Operator's Personal Data Processing Policy and the Regulations on the Competition.

I am aware that the complete or partial withdrawal of this Consent, as well as the termination of processing of the personal data provided for in this Consent may lead to the impossibility of achieving the purpose of processing of the personal data provided for in this Consent.

In case of withdrawal of consent to the personal data processing, the Operator is entitled to continue processing personal data for cause specified in paragraphs 2-11 of Part 1 of Article 6, part 2 of Article 10 and part 2 of Article 11 of the Federal Law No. 152-FZ of July 27, 2006 on Personal Data.

The appeal to the Organization is drafted in any form and is required to contain the following information in accordance with Part 3 of Article 14 of the Federal Law No. 152-FZ of July 27, 2006 On Personal Data:

1) information about the applicant (surname, first name, patronymic (if present), type, serial and individual number of the identifying document, information on the date of issue of the specified document and the issuing authority);

2) information confirming the fact that the Organization has given consent to the processing of personal data by the person who applied (name of consent, date of Consent, description of the circumstances of Consent and (or) other information about Consent);

3) description of the subject of the appeal;

4) the date of the application and the signature of the applying individual.

This Consent is valid for 5 (five) years starting from the date of its signing, either until the purpose of processing personal data is achieved, or until the day of withdrawal in writing sent from the e-mail address specified in this consent to the official e-mail address. [info@znanierussia.ru](mailto:info@znanierussia.ru) unless otherwise established by the legislation of the Russian Federation. If the Consent is not withdrawn before the end of this period, then its validity period is extended for the next 5 (five) years. The number of extensions is unlimited. This Consent also applies to the processing of personal data in the Organization's information systems. By filling out the registration forms on the Website and submitting my data, I confirm the following:

– I freely, willingly and in my own interest/in the interest of the person represented, make a decision to provide Personal Data and give the Operator my specific, informed and conscious Consent as described above;

– the Personal Data provided by me to the Operator and (or) to persons authorized by the Operator are accurate, complete and effective as of the date of their provision;

– the rights and obligations in the field of personal data protection have been clarified;

– I am familiar with the provisions of Federal Law No. 152-FZ dated 07/27/2006 "On personal data", the Policy regarding the processing of personal data of the Operator, the Regulations on the organization and holding of the annual Competition for the Enlightening Award Znanie.Award - 2024 (posted on the official website of the Organization <https://znanierussia.ru>, <https://award.znanierussia.ru/>);

– the Consent (its copies/text) and (or) a description of the circumstances of my Consent may be stored by the Operator and (or) persons authorized by him in any form (for example, on paper, in electronic form) and can be provided to third parties with a reasonable interest as proof of the fact that the Operator has received my Consent;

– the Operator has the right to process personal data on the basis of one or more consents. Information about the person who signed (provided) this Consent is indicated when registering on the Website <https://premiya.znanierussia.ru>. The consent shall be signed by means of a simple electronic signature.

---

*(designation of the organization, address)*

I am aware that the complete or partial withdrawal of this Consent, as well as the termination of the processing of personal data provided for in this Consent, may lead to the impossibility of achieving the purpose of processing personal data provided for in this Consent.

In case of withdrawal of consent to the processing of personal data, the Operator has the right to continue processing personal data if there are grounds specified in paragraphs 2-11 of Part 1 of Article 6, Part 2 of Article 10 and Part 2 of Article 11 of Federal Law No. 152-FZ dated July 27, 2006 "On Personal Data".

The appeal to the Organization is drawn up in any form, but *must contain the following information in accordance with Part 3 of Article 14 of Federal Law No. 152-FZ of July 27, 2006 on personal data:*

- 1) information about the applicant (full name, serial and individual number of the main identifying document, information on the issue date of the specified document and the issuing authority);
- 2) information confirming the fact that the Organization has given consent to the processing of personal data by the applying individual (type of consent, date of Consent, description of the circumstances of Consent and (or) other information about Consent);
- 3) description of the subject of the appeal;
- 4) the date of the application and the signature of the person who applied.

The present Consent is valid for 5 (five) years starting from the date of its signing, either until the purpose of processing personal data is achieved, or until the date of withdrawal in writing sent from the e-mail address specified in this consent to the official e-mail address. [info@znanierussia.ru](mailto:info@znanierussia.ru) unless otherwise established by the legislation of the Russian Federation. If the Consent is not withdrawn before the end of this period, then its validity period is extended for the next 5 (five) years. The number of extensions is unlimited. This Consent also applies to

the processing of personal data in the information systems of the Organization and the specified third parties (if necessary).

My signature confirms the following:

- I of my own free will and in my own interest/in the interest of the individual represented agree to provide Personal Data and give the Operator my specific, informed and conscious Consent as described above;
- the Personal Data provided by me to the Operator and (or) to persons authorized by the Operator are accurate, complete and up-to-date as of the date of their provision;
- the rights and obligations in the field of personal data protection have been clarified;
- I am familiar with the provisions of Federal Law No. 152-FZ of July 27, 2006 on Personal Data, the Operator's Personal Data Processing Policy, the Regulations on the organization and holding of the annual competition for the Enlightening Award Znanie.Award – 2024 (posted on the official website of the Organization <https://znanierussia.ru>, <https://award.znanierussia.ru/>);
- the Consent (its copies/text) and (or) a description of the circumstances of my Consent can be stored by the Operator and (or) persons authorized by him in any form (for example, on paper, in electronic form) and can be provided to third parties with a reasonable interest as proof of the fact that the Operator has received Consent from me;
- the Operator has the right to process personal data on the basis of one or more consents.

*\*According to paragraph 5 of Article 3 of Federal Law No. 152-FZ of July 27, /2006 On Personal Data, the dissemination of personal data is determined as actions aimed at disclosing personal data to an indefinite circle of individuals. An "indefinite circle of individuals" means such a circle (list) of individuals who cannot be determined in advance. The Operator reasonably assumes the following categories of individuals focused on the provision of access to (disclosing) Personal data: users of the Website <https://znanierussia.ru/>, as well as users in the group (community) on the VKontakte social network page ([vk.com/znanierussia](https://vk.com/znanierussia)).*

3. Information concerning the Operator's information resources, through which access (disclosure) to an indefinite (unlimited) circle of individuals and other actions will be carried out with Personal data: <https://znanierussia.ru/>, as well as on its subdomain names.

4. Conditions for processing or prohibitions on processing the above-mentioned Personal Data by an unlimited number of individuals (Part 9 of Article 10.1 of Federal Law No. 152-FZ of July 27, 2006 On Personal Data) [check the appropriate box]:

*are unlimited*

are limited in the way that the transfer by the Operator (except for obtaining access) of the data specified below is prohibited to the following unlimited circle of individuals: \_\_\_\_\_ (if none, left blank);

are limited in the way that the processing (except for obtaining access) of the data specified below is prohibited to the following unlimited circle of individuals: \_\_\_\_\_ (if none, left blank);

I set the conditions for processing (except for obtaining access) of the data specified below for the following unlimited circle of individuals: \_\_\_\_\_ (if none, left blank).

5. *Additional conditions for the processing of personal data:*

Conditions under which the received personal data can be transmitted by the Operator only via its internal network, which provides access to information only for strictly defined employees, either using information and telecommunications networks, or without transmitting the received personal data (check the box):

*are unlimited*

\_\_\_\_\_ (filled out only if you wish to set additional conditions for the processing of personal data, otherwise left blank).

6. I confirm that the rights and obligations concerning personal data protection have been clarified. I confirm that I am familiar with the provisions of Federal Law No. 152-FZ of July 26, 2006 On Personal Data, as well as with the Operator's Personal Data Processing Policy, Regulations on the organization and conduct of the annual competition for the Enlightening Award Znanie.Award – 2024 (posted on the official website of the Organization <https://znanierussia.ru> , <https://award.znanierussia.ru/>).

7. I reserve the right at any time to request the exclusion of all or individual personal data specified in this consent from those to which an unlimited circle of individuals have access, and (or) to withdraw my consent in accordance with the procedure established by law of the Russian Federation.

I am aware that if this consent is revoked, it will become impossible to achieve the purpose of processing personal data specified in this consent.

In case of withdrawal of consent to the processing of personal data, the Operator has the right to continue processing personal data if there are grounds specified in paragraphs 2-11 of Part 1 of Article 6, part 2 of Article 10 and Part 2 of Article 11 of Federal Law No. 152-FZ of July 27, 2006 On Personal Data.

The present Consent is valid for 5 (five) years starting from the date of its signing, either until the purpose of processing personal data is achieved, or until the date of withdrawal in writing sent from the e-mail address specified in this consent to the official e-mail address. [info@znanierussia.ru](mailto:info@znanierussia.ru) unless otherwise established by the legislation of the Russian Federation. If the Consent is not withdrawn before the end of this period, then its validity period is extended for the next 5 (five) years. The number of extensions is unlimited. This Consent also applies to the processing of personal data in the information systems of the Organization and the specified third parties (if necessary).
