

# Znanie. Award

Russian «Znanie» Society

# Znanie.Award

Znanie.Award is the main enlightening award of the country, established by the Russian «Znanie» Society in 2021 to recognize the achievements of teachers, lecturers, authors, bloggers, popularizers of science and other enlightenment figures, as well as to praise enlightening projects and companies from various fields.

In 2023, the Russian «Znanie» Society received over 13 thousand applications from 89 regions of Russia during the main application campaign.

For the first time, an enlightener from another country can receive the award Znanie.Award in the framework of a new special nomination **«Foreign Enlightener of the Year»**. To do this, it is necessary to go through several stages of selection and receive high marks from experts and an Honorary jury.

**Applications will be accepted on the official website [premiya.znanierussia.ru](https://premiya.znanierussia.ru) from October 17 to November 27, 2023.**

# New nomination «Foreign Enlightener of the Year»

## Enlightener

### Foreign Enlightener of the Year

This is a new nomination for foreign citizens conducting enlightening activities of various directions, implementing enlightening initiatives and projects that have a positive impact on the development and strengthening of relations between Russia and other countries. The prize is awarded to those who fight against falsification and objectively cover historical facts about the Russian Federation; to specialists who talk about new opportunities and prospects that scale Russia's role in the international arena in various spheres.

Foreign citizens can become candidates for nomination: lecturers and teachers, scientists and researchers, authors and journalists, cultural figures, translators, trainers, political scientists, as well as representatives of organizations that promote knowledge exchange and enlightening activities at the international level, and other specialists.

# Stages of the nomination «Foreign Enlightener of the Year»

## Stage I

from October 17 to November 27, 2023

### Application campaign

Applications are accepted from foreign citizens who are actively engaged in enlightening activities. The nominee of the Znanie.Award prize can be an enlightener who has made a significant contribution to enlightenment in 2022-2023.

You need to submit an application and fill out a questionnaire on the award website [premiya.znanierussia.ru](https://premiya.znanierussia.ru).

## Stage II

November - December, 2023

### Selection and evaluation of applications

At the qualifying stage, applications will be evaluated in absentia by an Expert Council, which includes statesmen, heads of youth organizations, corporations and companies, entrepreneurs and other professionals in their fields.

Based on the results of the work of the Expert Council, a shortlist of the nomination will be formed, which will include 4 nominees with the highest scores.

## Stage III

December, 2023 - January, 2024

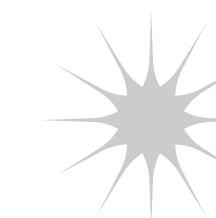

### Correspondence defense of enlightening activities of nominees and voting of the Honorary jury

At this stage, the correspondence defense of enlightener before the members of the Honorary Jury is provided. The nominees prepare a video recording of the speech in the format of a presentation of their enlightening activities. The Honorary Jury consists of outstanding statesmen, representatives of science, art, business and sports, etc.

## Stage IV

February, 2024,  
Moscow

### Award ceremony

The award holders will be announced at the award ceremony. State and public figures, experts, representatives of business, science, culture, art and media will take part in the award ceremony.
